

# Blaine Aviation Days! Sat & Sun, May 21-22, 2011.

## Starts with a Fly-In/Drive-in Breakfast at 0700

Blaine Aviation Days! Sat. & Sun., May 21-22, 2011. 4 Aviation Safety Presentations starting at 10:00 AM on both days. First seminar on May 21, 2011, is "How Slow Can You Go? Exploring & Learning to Master Slow Speed Flight" presented by Pat McKinzie, Professor of Aviation, Minnesota State University, Mankato. This is a FREE event to the public. Check out [www.FAASafety.gov](http://www.FAASafety.gov) for additional seminar topics.

**Directions:** Safety seminars will be held in the big tent by the Golden Wings Museum at the Anoka County Airport on both days.

### A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
